36%	Founders and Partners
24%	C-Suite and Managing Directors
18%	Investment Professionals
16%	Investor Relations, Business Development

Agenda

16 March:

- SFO roundtable
- Welcome Cocktail

17 March:

- Keynotes, panel discussions and roundtable sessions
- 'Ask Me Anything' Roundtable with LPs **New!**
- Drinks Reception & LP/GP Networking Dinner

18 March:

- Keynotes, panel discussions and roundtable sessions
- Additional LP-only Roundtable **New!**

Programme at a glance

Day 1 explores private equity performance and value creation, covering investment strategies, operational excellence, M&A, AI and the latest EIF performance data, alongside dedicated roundtables and concluding with the conference networking reception and dinner.

Day 2 focuses on capital allocation and liquidity in a new investment cycle, examining fundraising dynamics, LP allocation strategies, evolving investment structures, secondaries and new liquidity pathways, with more dedicated roundtable sessions and further opportunities for peer-to-peer exchange and networking.

The IF experience

Gain insights from industry data, market analysis and leading.

Explore the priorities shaping LP-GP relationships, from fundraising and portfolio construction to exits and value creation.

Connect with peers through roundtables, curated exchanges and networking designed to build meaningful relationships.

Get a glimpse of last year's edition.

Registration and information

Attendance is open to pre-qualified institutional investors, Invest Europe member GPs and LPs. Service Provider attendance is limited to sponsors of the event.
